-Huntsville Photographic Society Photo Shootout

Announcing the first and hopefully annual "**Photo Shootout**". What is it, you ask? Well it's a scavenger hunt type of photo contest. At the Oct. 9th meeting, we will hand out a roll of film and a list of six locations

around Huntsville. You would then have about a week to go to these locations and take six photos at each of the locations, in prescribed categories. Return the film, we will process it, judge the photos by categories. The winners in each category will be announced, the best photo taken by each participant at each location will be shown and some modest prizes will be given at the November 14 meeting.

Film and processing will be donated by Professional Photographic Services, the lab that processes the slides for Southerlands.

We need to know the approximate number of participants so please register either at the Sept. 11 or Sept 25 meeting.
