### 1998 PSA Conference

It's not too early to start planning to attend this year's Photographic Society of America International Conference in Orlando, Florida. (Aug. 31st-Sept.5<sup>th</sup> 1998) The conference and Hotel registration forms will be available in May. For the second year, the Huntsville Photographic Society will be judging the entires for the PSA Stereo Sequence Exhibition (June 13<sup>th</sup>), and preparing the exhibition for it's premier showing at the annual conference.

### Words from the President

Just a real short update regarding the photo for poem exchange. Ginny, our past President, gave a good report from the poet society. All the photos were graciously appreciated and enthusiastically received, with some poems already inspired. I stated in the meeting at which we collected the photos that there was no promise of return of the photos, but word was given to the poets that we would like to have them returned especially along with the poem inspired by the photo. When we receive the poems we will have a program to present them to the group.

I want to thank all those who have been consistent in entering photos for our competition, we seem to always have plenty of entries, and this last time was no exception. I am always impressed with the quality of the entries and they encourage me to go out and try new things with my camera. So don't forget the theme for May is "children".

The program for May will be photography and computers by Jorn Rennhack. During May we will only have one meeting since the fourth Monday of May falls on a holiday, so the competition for May will be pushed to the first meeting in June. Then the second meeting in June will be the normal June competition, "soft impressions". Hopefully to make things more clear: May will only have one meeting on the 11th, June will have its normal two meetings but both will be competition nights.

### Board Meeting

The HPS officers are asked to attend the Board Meeting, 6:30 p.m. before the May 7<sup>th</sup> meeting.
