**FROM THE PRESIDENT:**

Our thanks to Harold Stinnett for a wonderful program. As always, Harold's passion for creating images always provides a spark for the audience to develop their vision and abilities. We look forward to his next visit. Also, many thanks to Terry and Sandra Leibold for their judging of the "Backlit" competition. As with many judges new to HPS, Terry and Sandra found it difficult to select clear winners because of the high quality of all entries. Keep up the good work!

The subject for the competition in July is "Gates and Fences". We've had lots of good images of gates and fences in our Shoot-outs. Hope you're also scouring the countryside to find the gate and/or fence!

Judy Fleming is continuing to take orders for embroidery of the HPS logo onto just about any piece of clothing or hat. The cost is very reasonable. See details elsewhere in the newsletter, or contact Judy at the meetings.

Thanks to Jeff Woodlee of Showcase School in Atlanta for attending our meeting in June. Showcase School is hosting John Shaw for a workshop at the Chan Auditorium on the UAH campus, Jan 31 - Feb 1, 2004. This is a great opportunity to hear a genuine legend in outdoor and nature photography. See the Showcase website (<http://www.theshowcaseschool.com>) for details about this and other workshops in the Southeast.

Happy Shooting, Joe

**FROM THE VICE PRESIDENT:**

Hey All!

Hope everyone had a great 4th. I tried my skills at shooting fireworks for the first time. Also used the opportunity to take a few shots for upcoming competitions... like food and people at play. Keep those cameras handy you never know what might happen.

Several people have shown an interest in the Savannah, Georgia workshop with Jeff Woodlee and the showcase School from Atlanta. I plan on attending. If you are interested please let me know ASAP. We have found rooms available for a lot better price than staying at the Inn that the school suggested. (Minutes from the central meeting place) If you would like to go and share a room with another member let me know. We will have maps and other info available soon. By the way Southern Living Presents just did a show on Savannah...I can not believe all there is to photograph there! The plans for the group trip to the Smokies are underway. I have blocked 10 rooms at the Talley Ho Inn in Townsend, TN (the quiet side of the Smokies). The rooms are \$41.20 for a queen or two double beds per night. You must reserve the

room as a HPS member to receive the discount. We will be visiting Cades Cove for animal shots and other places for waterfalls and scenic photos throughout the weekend. Please book your room early if you think you are interested...even if you must cancel later...We may have a surprise or two for this trip (special instructors) if I can get enough people interested in going. This is a great time to visit the Smokies. Make your plans to go soon. (865-448-2465 or 1-800-448-2465)

We have several new members who are interested in photographing along side of advanced photographers. If you are interested in mentoring or hosting a day photo shoot just let us know. One of the easiest ways to learn is to have someone there to ask a question. If you do not know the answer then maybe you both could learn from each other.

Be sure to welcome our guest speaker this month... Mr. Ray Hawthorne. He will speak on subtracted lighting techniques and the works of the late Leon Kennemer. Thanks to Trisha Hyde for asking him to speak to our group.

Keep Shooting! Sheila
