FROM THE EDITOR:

Another month and another issue of the newsletter. Since Andrea has been out of town for the last two meetings, I'll be doing the writing for this newsletter opener.

I'd like to start by thanking HPS member Elsabe Webster for her great video presentation of bears in Alaska. Apparently there was a little confusion about the program last month but in the end everything came together just fine and we had a great bear show!

We also owe a big thank you to Bobby Woody from Wolfe camera for judging our What is it? competition last month. This was our first test of live judging of the digital competition. Bobby came to the meeting early and was able to judge the digital category before the meeting got started. There were lots of really interesting entries. Of course Sharon Callahan stole the show with four big wins! She swears no money exchanged hands though! Congratulations Sharon.

For July, we have Robert Falls from Oneonta, AL coming to talk to us about turning what is a hobby for most of us into a business. Robert has published several books and has a great website. See below for more info about Robert.

Our competition in July will be Macro/Close-up. I haven't heard who the judge will be yet, but I'm sure Sharon will find someone good for us....she always does!

Reminder: We have a 5th Monday this month (7/30/07). Fifth Mondays are open forum format. Bring your questions, your answers, your photos or your ideas to share.
